the Lac qui Parle Players to present...

A Christmas in the Country

Dear

The Lac qui Parle Players are preparing an original Christmas play with music, under the direction of Rosemary Hendrickson and Chad Felton, to be performed November 30-December 3, 2017 (four performances) at the Prairie Arts Center in Madison.

A Christmas in the Country will follow a disillusioned modern family as they rediscover their heritage and traditions while spending Christmas in a recently inherited historic family home. Music of many eras and styles will be incorporated into the story, and will be customized to fit the unique talents of area performers.

We need people! - singers, actors, dancers, instrumentalists - as well as backstage and tech people. Please contact Chad Felton at 320-598-7477 or e-mail chadjfelton@gmail.com by August 1 to sign up or arrange for an audition.

A Christmas show has been a tradition in Madison for the past 22 years. Let's keep the ball rolling. We need you!
